	<p>Investment Strategy - Debt :</p> <ol style="list-style-type: none"> Based on the Interest rate view, the optimum duration of the portfolio is first determined. Then depending on this decision, the mix of G-Secs, Corporate Debt, money market instruments and cash is arrived at. This mix tries to ensure that returns are maximized while still protecting the liquidity of the portfolio. Within the corporate debt, a further decision is taken; the weights of AAA (pronounced "triple A") rated instruments and Sub- AAA rated instruments are determined. The scheme may invest primarily in fixed income instruments of shorter or longer maturities, depending upon the interest rate outlook. Purchases of debt may be made either through initial public offer, private placement, through rights offerings, purchase on the floor of a recognised stock exchange or through negotiated deals on the secondary market. The investment shall be made across industries, sector and promoter group. The fund shall invest in the instruments rated as investment grade or above by a recognised rating agency. In case, the instruments are not rated, specific approval of the Board of Directors of the Investment Manager or a committee constituted by the Board of Directors of the Investment Manager and the Board of Directors of Trustee Company or a committee approved by the Board of Directors of Trustee Company shall be obtained. Pending deployment of funds in terms of investment objectives of the scheme, the funds may be invested in short term deposits with scheduled Commercial Banks. In cases where the repurchase/ redemption requirements are large, the scheme may sell a part of debt instruments. The scheme may also resort to temporary borrowing within the limits laid down by SEBI. The Investment Manager will keep in mind the Investment Objective of the Scheme and the applicable Regulations. 		<p>the project that has been placed in an InvIT, dependability of cash flows emanating from the REIT / InvIT, interest rate outlook, correlation of these assets with pure equity and debt etc., decide on the particular investment and the percentage of allocation to this asset class within the portfolio.</p>

Please refer Annexure enclosed herewith for more details pertaining to the Transferor Scheme and Transferee Scheme.			

Exit Option

As per Regulation 18(15A) of the SEBI (Mutual Funds) Regulations, 1996, changes in fundamental attributes can be carried out only after the unit-holders of the concerned scheme have been informed of the change by way of a written communication and an option to exit the scheme within a period of 30 (thirty) days at the prevailing NAV without any exit load is provided to them. As per SEBI circular No. SEBI/MFD/CIR/05/12031/03 dated June 23, 2003, merger of Transferor Scheme with Transferee Scheme will be treated as change in fundamental attributes of the Scheme. Since the proposed merger shall change the features/provisions of the Transferor Scheme and the interest of the Unit-holders of the Transferor Scheme will be affected, the proposed merger will be treated as change in fundamental attributes of the Transferor Scheme in terms of SEBI circular No. CIR/IMD/DF/15/2010 dated October 22, 2010. Hence, the investors of the transferor scheme who do not agree to the proposed merger are given an option to exit without any exit load. Please refer the addendum dated 20/11/2021 for the scheme wise merger and also the scheme related information published on the website www.sundarammutual.com.

The Unit Holders who do not wish to consent to the merger described above, are provided an option to exit their investment in the **Sundaram Equity Hybrid Fund** at the prevailing net asset value ("NAV") without any exit load, for a period of 30 (thirty) days from 25/11/2021 and 24/12/2021 (both days inclusive). However, for investments made during the exit window period, there will be no waiver of exit load. The NAV applicable, for investors who choose to exercise the exit Option would be based on the date/time of receipt of redemption/switch request during business hours on a business day. The Exit Option can be exercised from 25/11/2021 and 24/12/2021 (both days inclusive and up to 3.00 pm on 24/12/2021), by submitting the redemption/switch request at any of the SAMC /RTA Branches or through electronic modes such as Sundaram Mutual Fund website (www.sundarammutual.com) or other platforms like Stock Exchanges, MFU, Fintech portal, etc. Investors are requested to note that redemption /switch requests can also be sent to etrxn@sundarammutual.com. This email server is dedicated for receiving redemption /switch request during the exit window period. These documents shall only be accepted if they are in TIFF/PDF/JPG format and the file size not exceeding 2MB. For transactions request through email, Please refer addendum dated 24/04/2021 for more information.

For units held in dematerialised mode, the redemption/switch request will have to be submitted to the respective Depository Participant. It may be noted that the redemption/switch transactions shall not be processed if the unit holders have not completed PAN/KYC requirements. The redemption proceeds will be mailed / credited within 10 business days of receipt of valid redemption request.

In compliance to SEBI categorization requirements, certain number of SMF schemes are proposed to be merged on account of the completion of the Transaction on the effective date. Investors are advised to read the scheme related documents of the target schemes carefully before deciding the switch transactions. If the unitholders of **Sundaram Equity Hybrid Fund** do not exercise their exit option by 3:00 pm on 24/12/2021, they shall be deemed to have consented to the merger. However, any redemption/Switch outs post the closure of exit window period will be processed with applicable load, if any.

Consequences of Merger

As a result of the above merger, no new scheme will come into effect. On the Effective Date, **Sundaram Equity Hybrid Fund (Transferor Scheme)** will cease to exist and the unit holders

of **Sundaram Equity Hybrid Fund** as on the Effective Date will be allotted units under the Plans/Options of **Principal Hybrid Equity Fund (Transferee Scheme)** as stated below at the Applicable Net Asset Value ("NAV") as on the close of business hours on the Effective Date. The Units allotted in the Transferee Scheme shall be treated as fresh subscription. Accordingly, all provisions under the "surviving scheme" will apply including exit load. The period of holding for the purpose of exit load will be computed from the date of allotment of such units in the Transferor Scheme. Post merger, the Scheme will be renamed as **Sundaram Aggressive Hybrid Fund**.

The units of Growth option and IDCW option under Regular/Direct plans of **Sundaram Equity Hybrid Fund** shall be transferred to the respective Growth and IDCW options under Regular/Direct plans of **Principal Hybrid Equity Fund**.

Option/Sub Option	Holding in Plan & Option under the Transferor scheme	Allocation in Plan & Option under Transferee/ Surviving Scheme	IDCW Policy* of surviving scheme
Growth	Growth	Growth	N.A
IDCW Payout	IDCW Payout	Monthly IDCW Payout	17th of every month
IDCW Reinvestment	IDCW Reinvestment	Monthly IDCW Reinvestment	17th of every month
IDCW Transfer	IDCW Transfer	Monthly IDCW Transfer	17th of every month
IDCW – Income distribution cum capital withdrawal option			

*If the record date falls on a non-business day, then the previous business day will be considered as record date for declaration of IDCW. Quantum of IDCW: Base NAV will be fixed. Available surplus over and above the base NAV will be distributed.

In case of non-availability of NAV under the Regular or direct plan of the surviving scheme, units shall be allotted in the option based on the NAV of corresponding option of Regular or Direct plan respectively. In case no similar option is available, NAV of Growth option under Regular/Direct plan shall be applied.

The requirement of PAN/KYC and minimum application amount for fresh and additional purchase of units as applicable for transferee scheme, shall not be applicable in respect of units allotted to the unitholders of transferor scheme on account of the merger.

Unitholders may note that the offer to exit is merely an option and not compulsory. However, the exit option will not be available to those unitholders who have pledged their units and on which the Mutual Fund has marked a lien unless the release of pledge is obtained and communicated to the Mutual Fund SAMC / RTA branches before applying for redemption/switch. If not, such lien or encumbrance will continue on the units allotted in the transferee scheme on account of merger. Unit holders holding Units in dematerialized form may approach their Depository Participant for such changes. In case units have been frozen/locked pursuant to an order of a government authority or a court, such exit option can be executed only after the freeze/lock order is vacated and on receipt of valid redemption request to those unitholders who choose to exercise their exit option.

The Effective date shall be considered as the merger date of **Sundaram Equity Hybrid Fund and Principal Hybrid Equity Fund**. Please refer the Scheme Information Documents for further details on the scheme.

In case of unit holders of **Sundaram Equity Hybrid Fund**, who had registered for

SIP/STP/SWP/IDCW Transfer, have consented to continue their investments i.e., do not opt for the exit option, then such SIP/STP/SWP/IDCW Transfer registrations will continue to be processed in **Principal Hybrid Equity Fund** (to be renamed as **Sundaram Aggressive Hybrid Fund**). However, unit holders who do not wish to continue the SIP/STP/SWP/IDCW Transfer, must apply for cancellation of their registrations.

STPs in/IDCW Transfers in registered in **Sundaram Equity Hybrid Fund** will continue to be processed in the surviving scheme. The corresponding units will be allotted in the surviving scheme of target scheme in case of merger.

Further, no fresh subscription including switch ins and registration of systematic investment plan ('SIP') /Systematic Withdrawal Plan ('SWP') /Systematic Transfer Plan ('STP')/ other special facilities will be accepted in the Transferor Schemes after the Effective Date.

The AMC believes that the merger of **Sundaram Equity Hybrid Fund with Principal Hybrid Equity Fund** will add value to the investors and the AMC is looking forward to your continued investment.

Tax Implications

There would not be any tax implication due to the merger. Transfer of units upon consolidation of mutual fund schemes of two or more schemes of equity-oriented fund or two or more schemes of a debt- oriented fund in accordance with SEBI (Mutual Funds) Regulations, 1996 is exempt from capital gains. i.e., any transfer by a unit holder of a capital asset, being unit or units, held by him in the consolidating scheme of a mutual fund, made in consideration of the allotment to him of a capital asset, being a unit or units, in the consolidated scheme would not be considered as "transfer" by virtue of the provisions of section 47(xviii) of Income Tax Act, 1961 and hence the gains on transfer not chargeable to tax.

For any redemption/switch transactions post the merger, the following points will be considered for taxation.

- For the purpose of classifying capital asset into long term or short term, the period of holding of units acquired in the consolidation of schemes of mutual fund shall include the period for which units in consolidating schemes was held by the unitholder in terms of the provisions of section 2(42A) of Income Tax Act.
- Further Section 49(2AD) provides that the cost of acquisition of the units acquired by the unitholder in the consolidated scheme of mutual fund in consideration of transfer referred in section 47(xviii) shall be deemed to be the cost of acquisition to him of the

units in the consolidating scheme of mutual fund.

However, redemption and/or switch of units from **Sundaram Equity Hybrid Fund** during the exit window period shall be considered as redemption and will result in short term/long term capital gain/loss in the hands of the unit holders depending on the period of holding of the investment.

In case of NRI investors, TDS shall be deducted in accordance with applicable tax laws for redemption/switch-out of units from Transferor Scheme during the exit window period and same would be required to be borne by such investor only.

Securities Transaction Tax (STT) on redemption / switch-out of units, if any, exercised during the exit window period in **Sundaram Equity Hybrid Fund** shall be borne by the AMC.

Securities Transaction Tax (STT) on extinguishment of units under Merging Scheme and allotment under the Surviving Scheme upon merger of schemes, shall not be levied.

In view of the individual nature of tax consequences, unit holders are advised to consult the professional tax advisor with regard to tax and other financial implications arising out of their participation in merger of schemes.
