***Segregated Portfolio:**

Segregated portfolio may be created, in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered credit rating agency (CRA) which involves Liquidity risk & credit risk etc

SEBI vide circular number SEBI/HO/IMD/DF2/CIR/P/2018/160 and dated 28th December 2018 prescribed the procedure for segregation of portfolio in mutual fund schemes. Following is the extract from the circular:

1. Segregated portfolio may be created, in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered Credit rating Agency (CRA), as under: a. Downgrade of a debt or money market instrument to 'below investment grade', or b. Subsequent downgrades, or c. Similar such downgrades of a loan rating.

5. Process for creation of segregated portfolio
 - a. AMC shall decide on creation of segregated portfolio on the day of credit event. once an AMC decides to segregate portfolio, it shall
 - i. seek approval of trustees prior to creation of the segregated portfolio.
 - ii. immediately issue a press release disclosing its intention to segregate such debt and money market instrument and its impact on the investors.
 - iii. ensure that till the time the trustee approval is received, which in no case shall exceed 1 business day from the day of credit event, the subscription and redemption in the scheme shall be suspended for processing with respect to creation of units and payment on redemptions.
 - b. Once trustee approval is received by the AMC,
 - i. Segregated portfolio shall be effective from the day of credit event
 - ii. AMC shall issue a press release immediately with all relevant information pertaining to the segregated portfolio. The said information shall also be submitted to SEBI.
 - iii. An e-mail or SMS should be sent to all unit holders of the concerned scheme.
 - iv. The NAV of both segregated and main portfolio shall be disclosed from the day of the credit event.
 - v. All existing investors in the scheme as on the day of the credit event shall be allotted equal number of units in the segregated portfolio as held in the main portfolio.

 - c. If the trustees do not approve the proposal to segregate portfolio, AMC shall issue a press release immediately informing investors of the same.
6. Valuation and processing of subscriptions and redemptions
 - a. The valuation should take into account the credit event and the portfolio shall be valued based on the principles of fair valuation (i.e. realizable value of the assets).
 - b. All subscription and redemption requests for which NAV of the day of credit event or subsequent day is applicable will be processed as per the existing circular on applicability of NAV as under: i. upon trustees' approval to create a segregated portfolio - Investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio. • Investors subscribing to the scheme will be allotted units only in the main portfolio based on its NAV. ii. In case trustees do not approve the proposal of segregated portfolio, subscription and redemption applications will be processed based on the NAV of total portfolio (scheme portfolio including the securities affected by the credit event).
7. Disclosure requirements
 - a. A statement of holding indicating the units held by the investors in the segregated portfolio along with the NAV of both segregated portfolio and

main portfolio as on the day of the credit event shall be communicated to the investors within 5 working days of creation of the segregated portfolio.

- e. The scheme performance required to be disclosed at various places shall include the impact of creation of segregated portfolio. The scheme performance should clearly reflect the fall in NAV to the extent of the portfolio segregated due to the credit event and the said fall in NAV along with recovery(ies), if any, shall be disclosed as a footnote to the scheme performance.
- f. The disclosures at paragraph (d) and (e) above regarding the segregated portfolio shall be carried out for a period of at least 3 years after the investments in segregated portfolio are fully recovered/ written-off.
- g. The investors of the segregated portfolio shall be duly informed of the recovery proceedings of the investments of the segregated portfolio. Status update may be provided to the investors at the time of recovery and also at the time of writing-off of the segregated securities.
8. TER for the Segregated Portfolio
 - a. AMC shall not charge investment and advisory fees on the segregated portfolio. however, TER (excluding the investment and advisory fees) can be charged, on a prorata basis only upon recovery of the investments in segregated portfolio.

 - c. The legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio in proportion to the amount of recovery. however, the same shall be within the maximum Ter limit as applicable to the main portfolio. The legal charges in excess of the Ter limits, if any, shall be borne by the AMC.
 - d. The costs related to segregated portfolio shall in no case be charged to the main portfolio

 - iv. The trustees shall monitor the compliance of this circular and disclose in the half-yearly trustee reports filed with SEBI, the compliance in respect of every segregated portfolio created.
 - b. In order to avoid mis-use of segregated portfolio, trustees shall ensure to have a mechanism in place to negatively impact the performance incentives of Fund Managers, Chief Investment officers (CIO), etc. involved in the investment process of securities under the segregated portfolio, mirroring the existing mechanism for performance incentives of the AMC, including claw back of such amount to the segregated portfolio of the scheme.
10. The existence of the provisions for segregated portfolio should not encourage the AMCs to take undue credit risk in the scheme portfolio. In partial modification to SEBI Circular no. SEBI/HO/IMD/DF2/CIR/P/2018/160 dated December 28, 2018 on 'Creation of segregated portfolio in mutual fund schemes', it has been decided by SEBI to permit creation of segregated portfolio of unrated debt or money market instruments by mutual fund

schemes of an issuer that does not have any outstanding rated debt or money market instruments, vide circular number SEBI/HO/IMD/DF2/CIR/P/2019/127, dated 07th november 2019, subject to the following:

- Segregated portfolio of such unrated debt or money market instruments may be created only in case of actual default of either the interest or principal amount.
- AMCs will inform AMFI immediately about the actual default by the issuer. upon being informed about the default, AMFI shall immediately inform the same to all AMCs.

Pursuant to dissemination of information by AMFI about actual default by the issuer, AMCs may segregate the portfolio of debt or money market instruments of the said issuer in terms of SEBI circular dated December 28, 2018. The Scheme intends to have the ability to create a segregated portfolio in line with the above SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2018/160 dated December 28, 2018.

Taxability of segregated portfolios of a mutual fund scheme

The Finance Act, 2020 has rationalized capital gains taxability in relation to mutual fund portfolio segregation as per SEBI regulations as follows:

- The period of holding for units in the segregated portfolio to be reckoned from the period for which the original units in the main portfolio were held by the taxpayer.
- Acquisition cost of units in segregated portfolio to be proportionate to the NAV of assets transferred to the segregated portfolio to the NAV of the total portfolio immediately before the segregation. The cost of acquisition of the original units in the main portfolio to be reduced by the acquisition cost of units in the segregated portfolio.

Example of Segregation:

The below table shows how a security affected by a credit event will be segregated and its impact on investors. Whether the distressed security is held in the original portfolio or the segregated portfolio, the value of the investors holdings will remain the same on the date of the credit event. over time, the NAV of the portfolios are subject to change.

Key Assumptions: We have assumed a Scheme consists of 3 Securities (A, B, and C). It has two investors with total of 10,000 units. (Investors 1 – 6,000 units, Investors 2- 4,000 units)

Total Portfolio Value of Rs. 30 Lakhs (each Security invested Rs.10 Lakh)

Current NAV: 30,00,000/10,000 = Rs. 300 Per unit

Suppose Security A is downgraded to below investment grade and consequently the value of the security falls from Rs.10,00,000 to Rs. 4,00,000 and the AMC decides to segregate the security into a new portfolio. Investors will be allotted the same number of units in the segregated portfolio as they hold in the main portfolio. So, Investor 1 will get 6,000 units and Investor 2 will get 4,000 units in the segregated portfolio.

With Segregation – Portfolio Value is Rs. 24,00,000 (now B & C Securities worth Rs. 20 Lakh and Security A has fallen from Rs. 10,00,000 to Rs. 4,00,000)

	Main Portfolio (Security of B & C)	Segregated Portfolio (Security A)
Net Assets	Rs. 20,00,000	Rs. 4,00,000
number of units	10,000	10,000
NAV per unit	Rs. 20,00,000/ 10,000 = Rs. 200	Rs. 4,00,000/10,000 = Rs. 40
With respect to Investors.	Investor 1	Investor 2
units held in Main portfolio (no. of units)	6,000	4,000
NAV of Main Portfolio	Rs. 200 per unit	Rs. 200 per unit
Value of holding in Main Portfolio (A)	Rs. 12,00,000	Rs. 8,00,000
units held in Segregated Portfolio	6,000	4,000
NAV of Segregated Portfolio	Rs. 40 Per unit	Rs. 40 Per unit
Value of holding in Segregated Portfolio (B)	Rs. 2,40,000	Rs. 1,60,000
Total Value of holdings (A) + (B)	Rs.14,40,000	Rs. 9,60,000

In case if it does not segregate (Total Portfolio would be)

Net Assets of the Portfolio	No. of Units	NAV per unit Rs.
Rs. 24,00,000 (Rs. 4,00,000 in Security A and Rs. 10,00,000 in Security B and Rs. 10,00,000 in Security C)	10,000	24,00,000/ 10,000 = Rs. 240

	Investor 1	Investor 2
units held in original portfolio (no. of units)	6,000	4,000
NAV of original Portfolio	Rs. 240 Per unit	Rs. 240 Per unit
Value of holding	Rs. 14,40,000	Rs. 9,60,000

Note:

- The term 'segregated portfolio' shall mean a portfolio, comprising of debt or money market instrument affected by a credit event, that has been segregated in a mutual fund scheme.
- The term 'main portfolio' shall mean the scheme portfolio excluding the segregated portfolio.
- The term 'total portfolio' shall mean the scheme portfolio including the securities affected by the credit event.

Risk Factors - Segregated Portfolio

Liquidity Risk: Securities classified under the segregated portfolio will typically be those securities that are thinly traded or not traded at all. hence these securities will have significant liquidity risk and investors may not be able to redeem their investments.

Credit Risk: Securities classified under the segregated portfolio will typically be securities which are undergoing stress with regard to their ability to make principal and interest payments. hence these securities will have significant credit risk and investors may not be able to redeem / realize their investments. It is also highly likely that these securities will undergo bankruptcy / liquidation processes which further increases the risk of the amount and the time taken for the investor to realize his investment.

Exit Option

As per Regulation 18(15A) of the SEBI (Mutual Funds) Regulations, 1996, changes in fundamental attributes can be carried out only after the unit-holders of the concerned scheme have been informed of the change by way of a written communication and an option to exit the scheme within a period of 30 (thirty) days at the prevailing NAV without any exit load is provided to them. As per SEBI circular No. SEBI/MFD/CIR/05/12031/03 dated June 23, 2003, merger of Transferor Scheme with Transferee Scheme will be treated as change in fundamental attributes of the Scheme.

Since the proposed merger shall change the features/provisions of the Transferor Scheme and the interest of the Unit-holders of the Transferor Scheme will be affected, the proposed merger will be treated as change in fundamental attributes of the Transferor Scheme in terms of SEBI circular No. CIR/IMD/DF/15/2010 dated October 22, 2010.

Hence, the investors of the transferor scheme who do not agree to the proposed merger are given an option to exit without any exit load. Please refer the addendum dated 20/11/2021 for the scheme wise merger and also the scheme related information published on the website www.sundarammutual.com.

The Unit Holders who do not wish to consent to the merger described above, are provided an option to exit their investment from **Sundaram Equity Fund** at the prevailing net asset value ("NAV") without any exit load, for a period of 30 (thirty) days from 25/11/2021 and 24/12/2021 (both days inclusive). However, for investments made during the exit window period, there will be no waiver of exit load. The NAV applicable, for investors who choose to exercise the exit option would be based on the date/time of receipt of redemption/switch request during business hours on a business day.

The exit option can be exercised from 25/11/2021 and 24/12/2021 (both days inclusive and up to 3.00 pm on 24/12/2021), by submitting the redemption/switch request at any of the SAMC /RTA Branches or through electronic modes such as Sundaram Mutual Fund website (www.sundarammutual.com) or other platforms like Stock Exchanges, MFU, Fintech portal, etc.

The Investors are requested to note that redemption /switch requests can also be sent to etrxn@sundarammutual.com. This email server is dedicated for receiving redemption /switch requests during the exit window period. These documents

shall only be accepted if they are in TIFF/PDF/JPG format and the file size not exceeding 2MB. For transactions request through email, Please refer addendum dated 24/04/2021 for more information.

For units held in dematerialised mode, the redemption/switch request will have to be submitted to the respective Depository Participant. It may be noted that the redemption/switch transactions shall not be processed if the unit holders have not completed PAN/KYC requirements. The redemption proceeds will be mailed / credited within 10 business days of receipt of valid redemption request.

In compliance to SEBI categorization requirements, certain number of SMF schemes are proposed to be merged on account of the completion of the Transaction on the effective date. Investors are advised to read the scheme related documents of the target schemes carefully before deciding the switch transactions.

If the unitholders of **Sundaram Equity Fund** do not exercise their exit option by 3:00 pm on 24/12/2021, they shall be deemed to have consented to the merger. However, any redemption/Switch outs post the closure of exit window period will be processed with applicable load, if any.

Consequences of Merger

As a result of the above merger, no new scheme will come into effect. On the Effective Date, **Sundaram Equity Fund (Transferor Scheme)** will cease to exist and the unit holders of **Sundaram Equity Fund** as on the Effective Date will be allotted units under the Plans/Options of **Principal Multi Cap Growth Fund (Transferee Scheme)** as stated below at the Applicable Net Asset Value ("NAV") as on the close of business hours on the Effective Date.

The Units allotted in the Transferee Scheme shall be treated as fresh subscription. Accordingly, all provisions under the "surviving scheme" will apply including exit load. The period of holding for the purpose of exit load will be computed from the date of allotment of such units in Transferor Scheme. Post merger, the Scheme will be renamed as **Sundaram Multi Cap Fund**.

The units of Growth option and IDCW option under Regular/Direct plans of **Sundaram Equity Fund** shall be transferred to the respective Growth and IDCW options under Regular/Direct plans of **Principal Multi Cap Growth Fund**.

Option/Sub Option	Holding in Plan & Option under the Transferor scheme	Allocation in Plan & Option under Transferee/ Surviving Scheme
Growth	Growth	Growth
IDCW Payout	IDCW Payout	Halfyearly IDCW Payout
IDCW Reinvestment	IDCW Reinvestment	Halfyearly IDCW Reinvestment
IDCW Transfer	IDCW Transfer	Halfyearly IDCW Transfer
IDCW – Income distribution cum capital withdrawal option		

In case of non-availability of NAV under the Regular or Direct plan of the surviving scheme, units shall be allotted in the option based on the NAV of corresponding option of Regular or Direct plan respectively. In case no similar option is available, NAV of Growth option under Regular/Direct plan shall be applied.

The requirement of PAN/KYC and minimum application amount for fresh and additional purchase of units as applicable for transferee scheme, shall not be applicable in respect of units allotted to the unitholders of transferor scheme on account of the merger.

Unitholders may note that the offer to exit is merely an option and not compulsory. However, the exit option will not be available to those unitholders who have pledged their units and on which the Mutual Fund has marked a lien unless the release of pledge is obtained and communicated to the SAMC / RTA branches before applying for redemption. Unit holders holding Units in dematerialized form may approach their Depository Participant for such changes. In case units have been frozen/locked pursuant to an order of a government authority or a court, such exit option can be executed only after the freeze/lock order is vacated and on receipt of valid redemption request to those unitholders who choose to exercise their exit option.

The Effective date shall be considered as the merger date of **Sundaram Equity Fund** and **Principal Multi Cap Growth Fund**. Please refer the Scheme Information Documents for further details on the scheme.

In case of unit holders of **Sundaram Equity Fund**, who had registered for SIP/STP/SWP/IDCW Transfer, have consented to continue their investments i.e., do not opt for the exit option, then such SIP/STP/SWP/IDCW Transfer registrations will continue to be processed in **Principal Multi Cap Growth Fund** (to be renamed as **Sundaram Multi Cap Fund**). However, unit holders who do not wish to continue the SIP/STP/SWP/IDCW Transfer, must apply for cancellation of their registrations.

STPs in/IDCW Transfers in registered in **Sundaram Equity Fund** will continue to be processed in the surviving scheme. The corresponding units will be allotted in the surviving scheme of target scheme in case of merger.

Further, no fresh subscription including switch in and registration of systematic investment plan ("SIP") /Systematic Withdrawal Plan ("SWP") /Systematic Transfer Plan ("STP")/ other special facilities will be accepted in the Transferor Schemes after the Effective Date.

The AMC believes that the merger of **Sundaram Equity Fund** with **Principal Multi Cap Growth Fund** will add value to the investors and the AMC is looking forward to your continued investment.

There would not be any tax implication due to the merger. Transfer of units upon consolidation of mutual fund schemes of two or more schemes of equity-oriented fund or two or more schemes of a debt- oriented fund in accordance with SEBI (Mutual Funds) Regulations, 1996 is exempt from capital gains. i.e., any transfer by a unit holder of a capital asset, being unit or units, held by him in the consolidating scheme of a mutual fund, made in consideration of the allotment to him of a capital asset, being a unit or units, in the consolidated scheme would not be considered as "transfer" by virtue of the provisions of section 47(xviii) of Income Tax Act, 1961 and hence the gains on transfer not chargeable to tax.

However, redemption and/or switch of units from **Sundaram Equity Fund** during the exit window period shall be considered as redemption and will result in short term/long term capital gain/loss in the hands of the unit holders depending on the period of holding of the investment.

In case of NRI investors, TDS shall be deducted in accordance with applicable tax laws for redemption/switch-out of units from Transferor Scheme during the exit window period and same would be required to be borne by such investor only.

Securities Transaction Tax (STT) on redemption / switch-out of units, if any, exercised during the exit window period in **Sundaram Equity Fund** shall be borne by the AMC.

Securities Transaction Tax (STT) on extinguishment of units under Merging Scheme and allotment under the Surviving Scheme upon merger of schemes, shall not be levied.

In view of the individual nature of tax consequences, unit holders are advised to consult the professional tax advisor with regard to tax and other financial implications arising out of their participation in merger of schemes.

This letter has been issued only to the investors who hold units as per the latest details available in RTA records.

All other terms and conditions of the Scheme Information Document / Key Information Memorandum / Statement of Additional Information will remain unchanged.
