10. The existence of the provisions for segregated portfolio should not encourage the AMCs to take undue credit risk in the scheme portfolio. In partial modification to SEBI Circular no. SEBI/HO/IMD/DF2/CIR/P/2018/160 dated December 28, 2018 on 'Creation of segregated portfolio in mutual fund schemes', it has been decided by SEBI to permit creation of segregated portfolio of unrated debt or money market instruments by mutual fund schemes of an issuer that does not have any outstanding rated debt or money market instruments, vide circular number SEBI/HO/IMD/DF2/CIR/P/2019/127, dated 07th november 2019, subject to the following:

- Pursuant to dissemination of information by AMFI about actual default by the issuer, AMCs may segregate the portfolio of debt or money market instruments of the said issuer in terms of SEBI circular dated December 28, 2018. The Scheme intends to have the ability to create a segregated portfolio in line with the above SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2018/160 dated December 28, 2018.

Taxability of segregated portfolios of a mutual fund scheme

The Finance Act, 2020 has rationalized capital gains taxability in relation to mutual fund portfolio segregation as per SEBI regulations as follows:

- The period of holding for units in the segregated portfolio to be reckoned from the period for which the original units in the main portfolio were held by the taxpayer.
- Acquisition cost of units in segregated portfolio to be proportionate to the NAV of assets transferred to the segregated portfolio to the NAV of the total portfolio immediately before the segregation. The cost of acquisition of the original units in the main portfolio to be reduced by the acquisition cost of units in the segregated portfolio.

Example of Segregation:

The below table shows how a security affected by a credit event will be segregated and its impact on investors. Whether the distressed security is held in the original portfolio or the segregated portfolio, the value of the investors holdings will remain the same on the date of the credit event. over time, the NAV of the portfolios are subject to change.

Key Assumptions: We have assumed a Scheme consists of 3 Securities (A, B, and C). It has two investors with total of 10,000 units. (Investors 1 – 6,000 units, Investors 2- 4,000 units) Total Portfolio Value of Rs. 30 Lakhs (each Security invested Rs.10 Lakh)

Current NAV: 30,00,000/10,000 = Rs. 300 Per unit

Suppose Security A is downgraded to below investment grade and consequently the value of the security falls from Rs.10,00,000 to Rs. 4,00,000 and the AMC decides to segregate the security into a new portfolio. Investors will be allotted the same number of units in the segregated portfolio as they hold in the main portfolio. So, Investor 1 will get 6,000 units and Investor 2 will get 4,000 units in the segregated portfolio.

With Segregation – Portfolio Value is Rs. 24,00,000 (now B & C Securities worth Rs. 20 Lakh and Security A has fallen from Rs. 10,00,000 to Rs. 4,00,000)

	Main Portfolio (Security of B & C)	Segregated Portfolio (Security A)
Net Assets	Rs. 20,00,000	Rs. 4,00,000
number of units	10,000	10,000
NAV per unit	Rs. 20,00,000/ 10,000 = Rs. 200	Rs. 4,00,000/10,000 = Rs. 40

With respect to Investors.	Investor 1	Investor 2
units held in Main portfolio (no. of units)	6,000	4,000
NAV of Main Portfolio	Rs. 200 per unit	Rs. 200 per unit
Value of holding in Main Portfolio (A)	Rs. 12,00,000	Rs. 8,00,000
units held in Segregated Portfolio	6,000	4,000
NAV of Segregated Portfolio	Rs. 40 Per unit	Rs. 40 Per unit
Value of holding in Segregated Portfolio (B)	Rs. 2,40,000	Rs. 1,60,000
Total Value of holdings (A) + (B)	Rs.14,40,000	Rs. 9,60,000

In case if it does not segregate (Total Portfolio would be)

Net Assets of the Portfolio	No. of Units	NAV per unit Rs.
Rs. 24,00,000 (Rs. 4,00,000 in Security A and Rs. 10,00,000 in Security B and Rs. 10,00,000 in Security C)	10,000	24,00,000/ 10,000 = Rs. 240

	Investor 1	Investor 2
units held in original portfolio (no. of units)	6,000	4,000
NAV of original Portfolio	Rs. 240 Per unit	Rs. 240 Per unit
Value of holding	Rs. 14,40,000	Rs. 9,60,000

Note:

- The term 'segregated portfolio' shall mean a portfolio, comprising of debt or money market instrument affected by a credit event, that has been segregated in a mutual fund scheme.
- The term 'main portfolio' shall mean the scheme portfolio excluding the segregated portfolio.
- The term 'total portfolio' shall mean the scheme portfolio including the securities affected by the credit event.

Risk Factors - Segregated Portfolio

Liquidity Risk: Securities classified under the segregated portfolio will typically be those securities that are thinly traded or not traded at all. hence these securities will have significant liquidity risk and investors may not be able to redeem their investments.

Credit Risk: Securities classified under the segregated portfolio will typically be securities which are undergoing stress with regard to their ability to make principal and interest payments. hence these securities will have significant credit risk and investors may not be able to redeem / realize their investments. It is also highly likely that these securities will undergo bankruptcy / liquidation processes which further increases the risk of the amount and the time taken for the investor to realize his investment.

Exit Option

As per Regulation 18(15A) of the SEBI (Mutual Funds) Regulations, 1996, changes in fundamental attributes can be carried out only after the unit-holders of the concerned scheme have been informed of the change by way of a written communication and an option to exit the scheme within a period of 30 (thirty) days at the prevailing NAV without any exit load is provided to them. As per SEBI circular No. SEBI/MFD/CIR/05/12031/03 dated June 23, 2003, merger of Transferor Scheme with Transferee Scheme will be treated as change in fundamental attributes of the Scheme. Since the proposed merger shall not in any manner change the features/provisions of the Transferee Scheme and the interest of the Unit-holders of the Transferee Scheme will not be adversely affected, the proposed merger will not be treated as change in fundamental attributes of the Transferee Scheme in terms of SEBI circular No. CIR/IMD/DF/15/2010 dated October 22, 2010. However, the investors of the transferee scheme who do not agree to the proposed merger are given an option to exit without any exit load. Please refer the addendum dated 20/11/2021 for the scheme wise merger and also the scheme related information published on the website www.sundarammutual.com.

The Unit Holders who do not wish to consent to the merger described above, are provided an option to exit their investment in the **Sundaram Global Brand Fund** at the prevailing net asset value ("NAV") without any exit load, for a period of 30 (thirty) days from 25/11/2021 and 24/12/2021 (both days inclusive). However, for investments made during the exit window period, there will be no waiver of exit load. The NAV applicable, for investors who choose to exercise the exit option would be based on the date/time of receipt of redemption/switch request during business hours on a business day.

The Exit Option can be exercised from 25/11/2021 and 24/12/2021 (both days inclusive and up to 3.00 pm on 24/12/2021), by submitting the redemption/switch request at any of the SAMC /RTA Branches or through electronic modes such as Sundaram Mutual Fund website (www.sundarammutual.com) or other platforms like Stock Exchanges, MFU, Fintech portal, etc.

The Investors are requested to note that redemption /switch requests can also be sent to etrxn@sundarammutual.com. This email server is dedicated for receiving redemption /switch requests during the exit window period. These documents shall only be accepted if they are in TIFF/PDF/JPG format and the file size not exceeding 2MB. For transactions request through email, Please refer addendum dated 24/04/2021 for more information.

For units held in dematerialised mode, the redemption/switch request will have to be submitted to the respective Depository Participant. It may be noted that the redemption/ switch transactions shall not be processed if the unit holders have not completed PAN/KYC requirements. The redemption proceeds will be mailed / credited within 10 business days of receipt of valid redemption request.

In compliance to SEBI categorization requirements, certain number of SMF schemes are proposed to be merged on account of the completion of the Transaction on the effective date. Investors are advised to read the scheme related documents of the target schemes carefully before deciding the switch transactions.

If the unitholders of **Sundaram Global Brand Fund** do not exercise their exit option by 3:00 pm on 24/12/2021, they shall be deemed to have consented to the merger. However, any redemption/Switch outs post the closure of exit window period will be processed with applicable load, if any.

In case no similar option is available, NAV of Growth option under Regular/Direct plan shall be applied

The requirement of PAN/KYC and minimum application amount for fresh and additional purchase of units as applicable for transferee scheme, shall not be applicable in respect of units allotted to the unitholders of transferor scheme on account of the merger.

Unitholders may note that the offer to exit is merely an option and not compulsory. However, the exit option will not be available to those unitholders who have pledged their units and on which the Mutual Fund has marked a lien unless the release of pledge is obtained and communicated to the SAMC / RTA branches before applying for redemption/switch. If not, such lien or encumbrance will continue on the units allotted in the transferee scheme on account of merger. Unit holders holding Units in dematerialized form may approach their Depository Participant for such changes. In case units have been frozen/locked pursuant to an order of a government authority or a court, such exit option can be executed only after the freeze/lock order is vacated and on receipt of valid redemption request to those unitholders who choose to exercise their exit option.

The Effective date shall be considered as the merger date of **Principal Global Opportunities Fund** and **Sundaram Global Brand Fund**. Please refer the Scheme Information Document of **Sundaram Global Brand Fund** for further details on the scheme.
