Dear Investor

Sub: Proposal for merger of Sundaram Mid Cap Fund and Principal Mid Cap Fund.

Thank you for investing in Sundaram Mutual Fund schemes. We are pleased to inform you that Sundaram Asset Management Company Limited ('SAMC') and Sundaram Trustee Company Limited ('STC'), the Asset Management Company and Trustees of Sundaram Mutual Fund respectively have entered into a Share Purchase Agreement with Principal Financial Services Inc., USA to acquire Principal Asset Management Private Limited ('PAMPL') and Principal Trustee Company Private Limited ('PTCPL') the Asset Management Company and Trustees of Principal Mutual Fund respectively.

Pursuant to this, the schemes of Principal Mutual Fund ('PMF') will be transferred to and form part of Sundaram Mutual Fund ('SMF'). STC will take over the trusteeship of the PMF Schemes from PTCPL, SAMC will take over the rights to manage the PMF Schemes from PAMPL and become the investment manager of PMF Schemes, and Principal Financial Services Inc., USA, (acting through its wholly owned subsidiaries Principal Financial Group (Mauritius) Ltd. and Principal International India (UK) Ltd.), the existing sponsor of Principal Mutual Fund ('PMF Sponsor') shall cease to be the sponsor of PMF and Sundaram Finance Limited, ('SMF sponsor') will become the sponsor of the schemes of PMF schemes (collectively referred to as "Transaction").

Proposal

We would like to inform you that the Board of Directors of SAMC and STC have approved the merger of **Principal Mid Cap Fund**, an open ended equity scheme investing predominantly in mid cap stocks, (also referred to as "**Transferor Scheme**") into **Sundaram Mid Cap Fund**, an open ended equity scheme investing predominantly in mid cap stocks (also referred to as "**Transferee Scheme**").

Further, the Trustees have decided to merge a few schemes of SMF with PMF schemes and vice versa. Please refer the addendum dated 20/11/2021 for the merger of other schemes.

SEBI vide its letter no. SEBI/HO/IMD/IMD-I DOF5/P/OW/2021/32846/1 dated 16/11/2021 and letter no. SEBI/HO/IMD-II/DOF-10/P/OW/33372/2021 dated

18/11/2021 has also conveyed it's no objection to the Transaction and the proposed merger of schemes respectively.

Exit Option: Unit holders who are not in agreement with the proposed merger and wish to redeem are given an option to exit i.e., redeem their units or switch to other Schemes of Sundaram Mutual Fund available for subscription without payment of exit load for a period of 30 (thirty) days between 25/11/2021 and 24/12/2021 (both days inclusive). **Unitholders may note that the offer to exit is merely an option and not compulsory.**

Rationale for merger

On successful completion of the Transaction ("**Completion**"), Sundaram Mutual Fund will have in its product suite, schemes which are similar in nature. In order to avoid the existence of similar schemes and to comply with SEBI's scheme categorization circulars and in the interest of the investors, it is proposed to merge **Principal Mid Cap Fund** with **Sundaram Mid Cap Fund**.

Pursuant to SEBI circular CIR/IMD/DF/21/2012 dated September 13, 2012, subscription including new SIP and STP registrations in the Institutional Plan (including options under the plan) was discontinued with effect from October 01, 2012. Hence, it is now proposed to consolidate the units held in Institutional Plan (suspended) of **Sundaram Mid Cap Fund** with Regular/Direct Plan of **Sundaram Mid Cap Fund**.

Effective Date of above changes

The proposed merger as stated above is subject to Completion and will come into effect from the close of business hours on the date of Completion ("**Effective Date**").

Prior to the date of Completion, SAMC will issue a public notice informing the unit holders of the Sundaram MF schemes about the Completion and the Effective Date.

***Segregated Portfolio:**

Segregated portfolio may be created, in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered credit rating agency (CRA) which involves Liquidity risk & credit risk etc

SEBI vide circular number SEBI/HO/IMD/DF2/CIR/P/2018/160 and dated 28th December 2018 prescribed the procedure for segregation of portfolio in mutual fund schemes. Following is the extract from the circular:

1. Segregated portfolio may be created, in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered Credit rating Agency (CRA), as under: a. Downgrade of a debt or money market instrument to 'below investment grade', or b. Subsequent downgrades, or c. Similar such downgrades of a loan rating.
2. In case of difference in rating by multiple CRAs, the most conservative rating shall be considered. Creation of segregated portfolio shall be based on issuer level credit events and implemented at the ISIN level.
3. Creation of segregated portfolio shall be optional and at the discretion of the AMC. It should be created only if the SID of the scheme has provisions for segregated portfolio with adequate disclosures.
4. AMCs shall have a detailed written down policy on creation of segregated portfolio and the same shall be approved by the trustees.
5. Process for creation of segregated portfolio
 - a. AMC shall decide on creation of segregated portfolio on the day of credit event. once an AMC decides to segregate portfolio, it shall
 - i. seek approval of trustees prior to creation of the segregated portfolio.
 - ii. immediately issue a press release disclosing its intention to segregate such debt and money market instrument and its impact on the investors.
 - iii. ensure that till the time the trustee approval is received, which in no case shall exceed 1 business day from the day of credit event, the subscription and redemption in the scheme shall be suspended for processing with respect to creation of units and payment on redemptions.
 - b. Once trustee approval is received by the AMC,
 - i. Segregated portfolio shall be effective from the day of credit event
 - ii. AMC shall issue a press release immediately with all relevant information pertaining to the segregated portfolio. The said information shall also be submitted to SEBI.
 - iii. An e-mail or SMS should be sent to all unit holders of the concerned scheme.
 - iv. The NAV of both segregated and main portfolio shall be disclosed from the day of the credit event.
 - v. All existing investors in the scheme as on the day of the credit event shall be allotted equal number of units in the segregated portfolio as held in the main portfolio.
 - vi. No redemption and subscription shall be allowed in the segregated portfolio, however, in order to facilitate exit to unit holders in segregated portfolio, AMC shall enable listing of units of segregated portfolio on the recognized stock exchange within 10 working days of creation of segregated portfolio and also enable transfer of such units on receipt of transfer requests.
 - c. If the trustees do not approve the proposal to segregate portfolio, AMC shall issue a press release immediately informing investors of the same.
6. Valuation and processing of subscriptions and redemptions
 - a. The valuation should take into account the credit event and the portfolio shall be valued based on the principles of fair valuation (i.e. realizable value of the assets).
 - b. All subscription and redemption requests for which NAV of the day of credit event or subsequent day is applicable will be processed as per the existing circular on applicability of NAV as under: i. upon trustees' approval to create a segregated portfolio - • Investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio. • Investors subscribing to the scheme will be allotted units only in the main portfolio based on its NAV. ii. In case trustees do not approve the proposal of segregated portfolio, subscription and redemption applications will be processed based on the NAV of total portfolio (scheme portfolio including the securities affected by the credit event).
7. Disclosure requirements
 - a. A statement of holding indicating the units held by the investors in the segregated portfolio along with the NAV of both segregated portfolio and main portfolio as on the day of the credit event shall be communicated to the

investors within 5 working days of creation of the segregated portfolio.

- b. Adequate disclosure of the segregated portfolio shall appear in all scheme related documents.
- c. The net Asset Value (NAV) of the segregated portfolio shall be declared on daily basis.

- e. The scheme performance required to be disclosed at various places shall include the impact of creation of segregated portfolio. The scheme performance should clearly reflect the fall in NAV to the extent of the portfolio segregated due to the credit event and the said fall in NAV along with recovery(ies), if any, shall be disclosed as a footnote to the scheme performance.
- f. The disclosures at paragraph (d) and (e) above regarding the segregated portfolio shall be carried out for a period of at least 3 years after the investments in segregated portfolio are fully recovered/ written-off.
- g. The investors of the segregated portfolio shall be duly informed of the recovery proceedings of the investments of the segregated portfolio. Status update may be provided to the investors at the time of recovery and also at the time of writing-off of the segregated securities.
8. TER for the Segregated Portfolio
 - a. AMC shall not charge investment and advisory fees on the segregated portfolio. however, TER (excluding the investment and advisory fees) can be charged, on a prorata basis only upon recovery of the investments in segregated portfolio.
 - b. The TER so levied shall not exceed the simple average of such expenses (excluding the investment and advisory fees) charged on daily basis on the main portfolio (in % terms) during the period for which the segregated portfolio was in existence.
 - c. The legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio in proportion to the amount of recovery. however, the same shall be within the maximum Ter limit as applicable to the main portfolio. The legal charges in excess of the Ter limits, if any, shall be borne by the AMC.
 - d. The costs related to segregated portfolio shall in no case be charged to the main portfolio
9. Monitoring by Trustees
 - a. In order to ensure timely recovery of investments of the segregated portfolio, trustees shall ensure that:

Any recovery of amount of the security in the segregated portfolio even after the write off shall be distributed to the investors of the segregated portfolio.
 - iii. An Action Taken report (ATR) on the efforts made by the AMC to recover the investments of the segregated portfolio is placed in every trustee meeting till the investments are fully recovered/ written-off.
 - iv. The trustees shall monitor the compliance of this circular and disclose in the half-yearly trustee reports filed with SEBI, the compliance in respect of every segregated portfolio created.
 - b. In order to avoid mis-use of segregated portfolio, trustees shall ensure to have a mechanism in place to negatively impact the performance incentives of Fund Managers, Chief Investment officers (CIO), etc. involved in the investment process of securities under the segregated portfolio, mirroring the existing mechanism for performance incentives of the AMC, including claw back of such amount to the segregated portfolio of the scheme.
10. The existence of the provisions for segregated portfolio should not encourage the AMCs to take undue credit risk in the scheme portfolio. In partial modification to SEBI Circular no. SEBI/HO/IMD/DF2/CIR/P/2018/160 dated December 28, 2018 on 'Creation of segregated portfolio in mutual fund schemes', it has been decided by SEBI to permit creation of segregated portfolio of unrated debt or money market instruments by mutual fund schemes of an issuer that does not have any outstanding rated debt or money

market instruments, vide circular number SEBI/HO/IMD/DF2/CIR/P/2019/127, dated 07th november 2019, subject to the following:

- Segregated portfolio of such unrated debt or money market instruments may be created only in case of actual default of either the interest or principal amount.
- AMCs will inform AMFI immediately about the actual default by the issuer. upon being informed about the default, AMFI shall immediately inform the same to all AMCs.

Pursuant to dissemination of information by AMFI about actual default by the issuer, AMCs may segregate the portfolio of debt or money market instruments of the said issuer in terms of SEBI circular dated December 28, 2018. The Scheme intends to have the ability to create a segregated portfolio in line with the above SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2018/160 dated December 28, 2018.

Taxability of segregated portfolios of a mutual fund scheme

The Finance Act, 2020 has rationalized capital gains taxability in relation to mutual fund portfolio segregation as per SEBI regulations as follows:

- The period of holding for units in the segregated portfolio to be reckoned from the period for which the original units in the main portfolio were held by the taxpayer.
- Acquisition cost of units in segregated portfolio to be proportionate to the NAV of assets transferred to the segregated portfolio to the NAV of the total portfolio immediately before the segregation. The cost of acquisition of the original units in the main portfolio to be reduced by the acquisition cost of units in the segregated portfolio.

Example of Segregation:

The below table shows how a security affected by a credit event will be segregated and its impact on investors. Whether the distressed security is held in the original portfolio or the segregated portfolio, the value of the investors holdings will remain the same on the date of the credit event. over time, the NAV of the portfolios are subject to change.

Key Assumptions: We have assumed a Scheme consists of 3 Securities (A, B, and C). It has two investors with total of 10,000 units. (Investors 1 – 6,000 units, Investors 2- 4,000 units)

Total Portfolio Value of Rs. 30 Lakhs (each Security invested Rs.10 Lakh)

Current NAV: 30,00,000/10,000 = Rs. 300 Per unit

Suppose Security A is downgraded to below investment grade and consequently the value of the security falls from Rs.10,00,000 to Rs. 4,00,000 and the AMC decides to segregate the security into a new portfolio. Investors will be allotted the same number of units in the segregated portfolio as they hold in the main portfolio. So, Investor 1 will get 6,000 units and Investor 2 will get 4,000 units in the segregated portfolio.

With Segregation – Portfolio Value is Rs. 24,00,000 (now B & C Securities worth Rs. 20 Lakh and Security A has fallen from Rs. 10,00,000 to Rs. 4,00,000)

	Main Portfolio (Security of B & C)	Segregated Portfolio (Security A)
Net Assets	Rs. 20,00,000	Rs. 4,00,000
number of units	10,000	10,000
NAV per unit	Rs. 20,00,000/ 10,000 = Rs. 200	Rs. 4,00,000/10,000 = Rs. 40
With respect to Investors.	Investor 1	Investor 2
units held in Main portfolio (no. of units)	6,000	4,000
NAV of Main Portfolio	Rs. 200 per unit	Rs. 200 per unit
Value of holding in Main Portfolio (A)	Rs. 12,00,000	Rs. 8,00,000
units held in Segregated Portfolio	6,000	4,000
NAV of Segregated Portfolio	Rs. 40 Per unit	Rs. 40 Per unit
Value of holding in Segregated Portfolio (B)	Rs. 2,40,000	Rs. 1,60,000
Total Value of holdings (A) + (B)	Rs.14,40,000	Rs. 9,60,000

In case if it does not segregate (Total Portfolio would be)

Net Assets of the Portfolio	No. of Units	NAV per unit Rs.
Rs. 24,00,000 (Rs. 4,00,000 in Security A and Rs. 10,00,000 in Security B and Rs. 10,00,000 in Security C)	10,000	24,00,000/ 10,000 = Rs. 240

	Investor 1	Investor 2
units held in original portfolio (no. of units)	6,000	4,000
NAV of original Portfolio	Rs. 240 Per unit	Rs. 240 Per unit
Value of holding	Rs. 14,40,000	Rs. 9,60,000

Note:

- The term 'segregated portfolio' shall mean a portfolio, comprising of debt or money market instrument affected by a credit event, that has been segregated in a mutual fund scheme.
- The term 'main portfolio' shall mean the scheme portfolio excluding the segregated portfolio.
- The term 'total portfolio' shall mean the scheme portfolio including the securities affected by the credit event.

Risk Factors - Segregated Portfolio

Liquidity Risk: Securities classified under the segregated portfolio will typically be those securities that are thinly traded or not traded at all. hence these securities will have significant liquidity risk and investors may not be able to redeem their investments.

Credit Risk: Securities classified under the segregated portfolio will typically be securities which are undergoing stress with regard to their ability to make principal and interest payments. hence these securities will have significant credit risk and investors may not be able to redeem / realize their investments. It is also highly likely that these securities will undergo bankruptcy / liquidation processes which further increases the risk of the amount and the time taken for the investor to realize his investment.

Exit Option

As per Regulation 18(15A) of the SEBI (Mutual Funds) Regulations, 1996, changes in fundamental attributes can be carried out only after the unit-holders of the concerned scheme have been informed of the change by way of a written communication and an option to exit the scheme within a period of 30 (thirty) days at the prevailing NAV without any exit load is provided to them. As per SEBI circular No. SEBI/MFD/CIR/05/12031/03 dated June 23, 2003, merger of Transferor Scheme with Transferee Scheme will be treated as change in fundamental attributes of the Scheme.

Since the proposed merger shall not in any manner change the features/provisions of the Transferee Scheme and the interest of the Unit-holders of the Transferee Scheme will not be adversely affected, the proposed merger will not be treated as change in fundamental attributes of the Transferee Scheme in terms of SEBI circular No. CIR/IMD/DF/15/2010 dated October 22, 2010.

However, the investors of the transferee scheme who do not agree to the proposed merger are given an option to exit without any exit load. Please refer the addendum dated 20/11/2021 for the scheme wise merger and also the scheme related information published on the website www.sundarammutual.com

However, for investments made during the exit window period, there will be no waiver of exit load. The NAV applicable, for investors who choose to exercise the exit option would be based on the date/time of receipt of redemption/switch request during business hours on a business day. The Exit Option can be exercised from 25/11/2021 and 24/12/2021 (both days inclusive and up to 3.00 pm on 24/12/2021), by submitting the redemption/switch request at any of the SAMC /RTA Branches or through electronic modes such as Sundaram Mutual Fund website (www.sundarammutual.com) or other platforms like Stock Exchanges, MFU, Fintech portal, etc.

It may be noted that the redemption/ switch transactions shall not be processed if the unit holders have not completed PAN/KYC requirements. The redemption proceeds will be mailed / credited within 10 business days of receipt of valid redemption request.

In compliance to SEBI categorization requirements, certain number of SMF schemes are proposed to be merged on account of the completion of the Transaction on the effective date. Investors are advised to read the scheme related documents of the target schemes carefully before deciding the switch transactions.

If the unitholders of **Sundaram Mid Cap Fund** do not exercise their exit option by 3 pm on 24/12/2021, they shall be deemed to have consented to the merger. However, any redemption/Switch outs post the closure of exit window period will be processed with applicable load, if any.
